Listing of Claims:

Claims 1-8 (Canceled)

9. (Original) A non-motorized mobile for use with a swing having a hanger tube supported from a hub, the non-motorized mobile comprising:
- a mounting bracket configured to engage the hanger tube;
 - a support arm coupled to the mounting bracket, the support arm having a distal end;
 - a hanger attachment coupled to the support arm at the distal end, the hanger attachment being freely movable at the distal end;
 - a hanger coupled to the hanger attachment; and
 - a decorative object coupled to the hanger,
- wherein motion is imparted to the mobile by the motion of the swing.
10. (Original) The non-motorized mobile of claim 9, wherein the hanger includes a plurality of radially extending arms.
11. (Original) The non-motorized mobile of claim 10, wherein each arm supports a respective decorative object.
12. (Original) The non-motorized mobile of claim 9, wherein the support arm is rotatable in the mounting bracket.
13. (Original) The non-motorized mobile of claim 9, wherein the mounting bracket is offset from the axis of the hub.

14. (Original) The non-motorized mobile of claim 9, wherein the hanger attachment includes a non-motorized structure to impart rotating motion to the hanger.

15. (Original) The non-motorized mobile of claim 9 wherein the hanger includes a non-motorized structure to impart rotating motion to the decorative object.

16. (Original) The non-motorized mobile of claim 9, wherein the support arm is positionable above a seat such that a child seated in the seat can interact with the decorative object.

Claims 17-24 (Canceled)

25. (New) An object hanger for use with a swing having a seat hanger and a seat coupled to the seat hanger, the object hanger comprising:

a support member configured to be coupled to one of the seat hanger and seat such that motion is imparted to the support member by the motion of the swing;

a hanger coupled to the support member, the hanger including a plurality of radially extending arms and being freely movable relative to the support member; and

a decorative object coupled to the hanger.
